MEMORANDUM FOR: Dr. Sayre Stevens

FROM : Admiral Turner

SUBJECT : Notes of Thanks

Attached are notes of thanks to those who contributed to the world energy assessment so much appreciated by the President. As I told them, they all should be personally gratified by its reception and the substantial contribution it makes in forming the Administration's policy on one of the country's most significant problems.

Please forward my notes to the individuals.

/s/ Stansfield Turner

STANSFIELD TURNER  
Admiral, U. S. Navy
